Landmark of State Sadly Neglected

Mission San Francisco de Solano Slowly Collapsing.

One-half of the front of the wall of the Mission of San Francisco de Solano of Sonoma has fallen out and the "doby" bricks, soaked and softened by the rain, are being trampled into mud by the feet of passersby. The roof of the cloister has fallen in and slowly the walls are disappearing under the melting influence of the winter rains.

Thus the State cares for one of the choicest monuments of the making of California, a treasure that was purchased by the people, deeded to the State, in the firm belief that there was pride enough in the government to insure its perpetual care. Solano Mission is situated across the street from the Blue Wing Tavern, where Ide and his associates drafted the first Constitution of California. It is within a hundred feet of the original flag pole from which fluttered the Bear Flag. It is within a stone's throw of the barracks where General Vallejo was captured and confined and in its church yard were buried relatives of General Vallejo, whose bodies were reverently removed before the Mission was converted to commercial uses.

The Mission, so intimately identified with the beginning of California, passed from the custody of the Catholic Church to the ownership of Mr. Soloman Shocken, who, while he used it commercially for twenty years, took care to prevent injury to the building. Supporting the Native Sons in their endeavor to perpetuate the landmarks of the State, The Examiner raised a fund and purchased the Mission, Fort Ross, the theatre at Monterey, and the landing place of Junipero Serra, and deeded these properties to the State.

The last Legislature made an appropriation of $2,500 for the benefit of the Mission, but a prideless Governor vetoed the bill. Mr. F. T. Duhring, the local member of the Board of Sutter's Fort Trustees, and custodian of the property, visited Sacramento recently to secure an appropriation, but Governor Gillet told him that the demands on the State's resources are so great that he could not see how any money could be devoted to the Mission.

The citizens of Sonoma gave an entertainment not long ago and raised a small sum for the Mission. Some of it has already been spent and the remainder will be used by Mr. Duhring to put in braces with the hope of preventing the fall of any more of the building.

But even that will be wasted unless the Legislature can be awakened to the danger and the Governor's pride as a Californian excited. Unless it is protected and repaired another winter will crumble the remaining walls of the cloister and bring down what is left of the church. If the Misson is not saved now it is lost forever and California will be much poorer in romantic monuments of the inspiring days when Spanish dominations ceased and she became one of the sisterhood of States within the great republic.

It would be well if the grand officers of the Native Sons, together with the local officers from Sonoma, would go at once in a body to Sacramento and insist that proper measures be taken to save the Mission, which looks out upon the scene where the first emblem of California's independence was lifted aloft. —San Francisco Examiner.

Governor Gillet evidently does not realize in vetoing this bill he has given himself a black eye which will take more poulticing to cure than the ordinary kind. He don't seem to care whether the Mission crumbles to earth or not and does not show the right spirit in the preservation of our State's old landmarks and places of of note and interest to the tourist. He makes the cry that the State is to poor. Oh what a bluff, but it don't stick and although we may not have the pull that can produce thousands of dollars from the State we are not going to be hoodwinked by such a proposition as that.

Sonoma is not the only city in California that is interested in this Mission and our governor in his action has pulled a number of flowers from his wreath which cannot be replaced.

A petition should be circulated throughout Sonoma county and signed by every citizen, stating the many reasons why our mission should be preserved, inculpating him for his recent action and asking him to re-consider.

Superior Court Notes.

A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial orde for a good suit and you'll be satisfied. ctf

WANTED—Success Magazine requires the services of a man in Sonoma to look after the expiring subscriptions and to secure new business by means of special methods unusually effective; position permanent; prefer one with experience, but would consider any applicant with good natural qualifications; salary $1.50 per day, with commission option. Address with references, R. C. Peacock, room 102, Success Magazine Bldg., New York.

Natural Hot Springs

Mr. and Mrs. G. Fetters, of San Francisco, are now constructiug a large club house on the property they bought recently in Agua Caliente. The club house is large and very prettily designed and so arranged that large crowds can mingle with perfect ease and listen to the music which will be heard over the entire club house. The building contains a bar room, music room, refreshment room as well as store rooms and a room for the keeper or caretaker. They expect to have the club in readiness by March 25th.

We are informed that other improvements are to be rushed throrgh as rapidly as possible and within a couple of months a large forty room hotel with all modern conveniences and a twenty room annex will be completed.

Mr. and Mrs. Fetters informs us that they will also put up a garage, where auto enthusiasts can place their machines in proper hands while they enjoy the Springs.

Stone masons are constructing a beautiful stone wall along the front of the property and others are at work on a fourteen foot driveway to the hot springs, where one may be able to take a hot mineral bath in one of the twenty bath tubs or a plunge in the 75x100 tank.

Recently a large spring was struck on these grounds which flows with a high pressure and the temperature remains at 112 degrees, and will be ample to furnish good clear water of the right temperature at all times. Strange to relate that there is also an ice-cold spring on these grounds, which will readily quench thirst on the hot days of the coming summer. The property contains a hundred acres, fruit of all kinds of the best quality and is so situated that one attains a beautiful view of the surrounding country on all sides.

The Natural Hot Springs is to be run as a first class up-to-date summer resort and will be a much advertised place, bringing thousands of people to our valley each year for a short time at least. It is the intention to have innumerable drives and walks and to beautify the entire track of land so that the springs will be equal to all and surpassed by none.

In Five Minutes.

Take your sour stomach—or maybe you call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach; doesn't matter—take your stomach troubles right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapepsin and let you eat one 22 grain Triangular and see if within five minutes there is left any trace o

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of the stomach bad taste in the mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms.

If your appetite is fickle, and nothing tempts you, or you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

WEEKLY EXPOSITOR

PUBLISHED EVERY FRIDAY BY

C. L. NEWMAN

Editor and Proprietor.

Entered at the Sonoma Postoffice as Second-class matter.

FRIDAY, MARCH 19 1909.

Evidently Theodore Roosevelt does not want the people of the United States to find out much about his intended hunting trip in Africa. He now states that he will not allow a representative of the press in his caravan. There is some talk of fitting out another caravan to follow him, but he says he will hinder them as much as possible. It appears that he wants to sever all connection with his own country for a time at least and explore the unknown wilds of foreign lands unhampered.

St. Patrick's Ball

The St. Patick's Ball, given by the Women of Woodcraft in Woodman Hall on Wednesday evening was certainly a grand success and proved beyond question that the ladies of that order are fine entertainers.

The hall was beautifully decorated with colors of the order—red white and green,—intermingled here and there with bows of green leaves, and upon entering the hall each gentleman was presented with a souvenir—a bow of ribbon of red white and green with a green heart dangling by a short chain attached. The members of the order wore a small twig among a bed of ribbons.

There were about 45 couples present and all appeared to have an excellent time. Mr. Fitzgerald, of El Verano, furnished the music and seemed to enter into the spirit of the evening and fairly made the piano talk.

Lester Small, Tom Mellrick, and Mr. and Mrs. Frank McGill filled the time between dances by singing popular songs.

Tom Mellrick and Jep. Valente seemed to have their voices tuned up pretty well and sang many songs accompanied by the piano while the dancers tripped merrily along.

And Say! The banquet. That was worth getting away with. We know because we were there and if all partook of the good things as we did they ate enough to last a week.

Taking everything into consideration the ladies certainly made a grand success of their first dance and, no doubt, will always have a large crowd, a good time and a fine banquet whenever they decide to have a dance.

TAKE NAPA STREET CAR direct to our store, it will pay you. Come where the merchandise is right, and the prices and policies are better. G. H. HOTZ, Sonoma.

High School Report.

Quarterly examinations are now going on at the High School. Every intermission finds pupils cramming for dear life.

The Wednesday afternoon talk was given up last week on account of examinations.

A little bird has told us that there are signs of a High school play in sight. The play will be given to raise funds for the High School paper.

An enjoyable game of base ball was played this week on the High School diamond by the High School and Grammar school teams. We put up a good fight, but the Grammar School won by a score of 10 to 4.

The High School paper "The Golden Bear" is getting along nicely. Our best hustlers Donald Campbell, and Otto Dresel, are bringing in ads daily. We would like to say that any one applying to these two boys, can arrange for printing their business advertisements in the "Golden Bear."

GLEN ELLEN NEWS

Dr. C. C. O'Donnell is now building several cottages on his place adjoining the Ashe ranch.

B. M. Bones, who lately fractured several bones in his leg, is resting easy and gradually improving.

Mrs. Guage and Mr. Quein were elected delegates to the missionary conferance of the Congregational church to be held at Santa Rosa on the 23rd, inst.

W. Vandewater has opened a shoe and harness repair shop.

At a meeting of Glen Ellen Circle W. of W. held March 19 the outgoing Guardian Neighbor, Mrs. L. A. Payne, was presented with an elegant pin, emblematic of the order. The presentation speech speech was made by Mrs. H. C. Lafferty and responded to by the recipient in a very pleasing manner. A banquet followed the meeting, which was greatly enjoyed. The circle meetings are well attended with a gradual increase in membership.

It has been rumored that Dr. C. C. O'Donnell has sold his farm together with all improvements thereon. The consideration being $75,000.

During the lull of business (which by the way is quite often) our tradesmen and others occupy their time in throwing horse shoes.

Owing to animosity and bumps of destructiveness largely developed with some people Col. Parker has discarded the blue soldier coat, a relic of the Spansh-American war, presented to him by his son. On a recent trip to Sonoma he states the coat was torn in shreds by several individuals, who are now under survailence and whose arrest may take place at and time.

El Verano Notes

Mr. Graham, our roadmaster, anb Miss Graham went to San Francisco last Saturday.

Mrs. Bridges was given a surprise party last Saturday evening at the home of Mrs. E. H. Cliff. It proved to be a most enjoyable affair and a few happy hours were spent. A great many of the neighbors were present The e e t was given in honor of Mrs. Bridges birthday and all departed having had a splendid time and wishing Mrs. Bridges many happy returns.

Mr. E. Franquelin has returned to Dunsmuir after having spent a month with his family. Mr. Franquelin is an engineer on the Southern Pacific up North and will not return to El Verano until the summer.

Mrs. Tom Baines entertained a few friends last Friday afternoon.

Weigand Brothers barn is nearing completion and is going to be a splendid building and the firm will soon be able to handle a lot of trade from the summer boarders.

Mr. Lenger has bought a splendid horse and buggy and now enjoy taking a spin.

Shellville Items.

J. A. Landsbarough made a business trip to San Francisco Wednesday.

The party of clam diggers, who left our little harbor Sunday morning, in several launches, returned home with unlimited success, and each member struggling under the weight of a half filled gunny sack. Their many friends were not forgotten, and we hope the joyous sport will be resumed when ever the tides permit.

Harold R. Pauli was a visitor in San Francisco this week.

Jack Mellrick has been driving a class A running horse, which he recently purchased in Emeryville.

Dave Laveroni is the proudest man in the country since he has become the father of a fine big boy. He chanced to meet Antone Keiser Wednesday morning, who related a similar experience. Both mothers are getting along nicely, and the babies couldn't be better.

Ehardt Steiger has given up his position in Oakland, and is living at his place near the school house. We are glad to have Mr. and Mrs. Steiger with us and hope they will occupy their local dwelling permanently.

W. J. Clements and wife have returned from their extended honeymoon throughout the United States and Canada. Both are as jovial as ever and though they had a most enjoyble trip are glad to get back to good old Sonoma Valley.

Unequaled as a Cure for Croup

"Besides being an excellent remedy for colds and throat troubles, Chamberlain's Cough Remedy is unequalled as a cure for croup," says Harry Wilson, of Waynetown, Ind. The No. 7-V-F steel beam plow is one of the most popular orchard and vineyard plows on the coast. Has many special adjustments which provide for plowing close up to the trees and vines without damaging them.

We want you to have the best plow on earth for your particular purpose. We believe that plow is the OLIVER and we think we can prove it to you.

We haven't any objection though to your looking around all you choose---the OLIVER sells better by comparison than it does in any other way.

It is a plow that competition does not hurt, for when you line it up with the others it sells on its plain superiority. This season there are new designs, new features and a brand new plow for orchard and vineyard work that is a wonder.

All we ask of any man who wants a plow of any kind is that he come and see us before he buys. That isn't much---better do it now.

Mrs. W. H. Bridges was delightfully surprised on her birthday last Saturday evening at the home of her daughter Mrs. E. H. Cliff, of El Verano. The evening was well spent in playing cards, listening to well executed music and telling of funny jokes, and, of course, as is the custom, an overloaded table was quickly relieved of its weight by those present.

Mrs. Bridges received many valuable and useful presents from her many friends, and well wishes and many returns of the day were heartily given by all.

The whole evening was enjoyed immensely by all and at the hour of 12 A. M. the assembly departed homeward.

Gets Divorce

A degree of divorce on the grounds of cruelty was granted to Mrs. Anna Stoneberg from Theodore Stoneberg by Judge Emmet Seawell Monday afternoon. The principal complaint alleged against her husband by plaintiff was that he had manifested many tokens of affection toward Miss Sophie Erickson, a young woman the couple had met on their travels abroad. Most of the evidence presented by the lawyers for Mrs. Stoneberg was devoted to the proof of this, Stoneberg did not oppose the divorce. Attorneys W. F. Cowan and Rob't A. Poppe were counsel for Mrs Stoneberg, and T. J. Geary represented the defendant.

Death Penalty

John Mott's bill, defining two degrees of robbery, passed the Assembly Monday. Robbery in the first degree is where the crime is committed between sunset and sunrise, or with a deadly weapon or by means likely to procure bodily injury. The penalty is death, but the jury may recommend a term in prison of not less than ten years. All other robbery is of second degree and the penalty is a term of not less than one year. The bill was promoted by the attack on Detective Hodgkins in Oakland a few weeks ago.

Promise in Fruit Buds

So far as can be determined at this date, orchard prospects for the fruit crops for 1909 are encouraging. Many things may happen between now and the ripening season, and damage or disaster is not impossible for one or another of the tree fruits. Some damage to tender varities in some parts of the state is already in evidence. But all in all, orchards are healthy, especially where well cared for, with reasonable good promise that the swelling fruit buds will at last emerge into wealth of bloom when nature asserts herself a little later. Always among the hardest of fruits, apples seem to be coming through the winter in good shape as a whole. Fruit buds in peach orchards have been frosted in some sections, but not in Sonoma county. The prospects are good now for fair crops. The trees made a short growth last season so a heavy yield is not to be anticipated Plums, pears and cherries are looking tiptop.

Last Tuesday evening in Santa Rosa Lloyd, of Santa Rosa, and Baughman, of Petaluma, met under the auspices of the Sonoma Valley Atheletic Club and fought a 20-round draw. The fight was referreed by Paul V. Vannucchi, proprietor of the Sonoma Grove, who gave a fair and just decision.

There was a large crowd in attendance and the fight was a good one.

FRIDAY, MARCH 19 1909.

Evidently Theodore Roosevelt does not want the people of the United States to find out much about his intended hunting trip in Africa. He now states that he will not allow a representative of the press in his caravan. There is some talk of fitting out another caravan to follow him, but he says he will hinder them as much as possible. It appears that he wants to sever all connection with his own country for a time at least and explore the unknown wilds of foreign lands unhampered.

St. Patrick's Ball

The St. Patick's Ball, given by the Women of Woodcraft in Woodman Hall on Wednesday evening was certainly a grand success and proved beyond question that the ladies of that order are fine entertainers.

The hall was beautifully decorated with colors of the order—red white and green,—intermingled here and there with bows of green leaves, and upon entering the hall each gentleman was presented with a souvenir—a bow of ribbon of red white and green with a green heart dangling by a short chain attached. The members of the order wore a small twig among a bed of ribbons.

There were about 45 couples present and all appeared to have an excellent time. Mr. Fitzgerald, of El Verano, furnished the music and seemed to enter into the spirit of the evening and fairly made the piano talk.

Lester Small, Tom Mellrick, and Mr. and Mrs. Frank McGill filled the time between dances by singing popular songs.

Tom Mellrick and Jep. Valente seemed to have their voices tuned up pretty well and sang many songs accompanied by the piano while the dancers tripped merrily along.

And Say! The banquet. That was worth getting away with. We know because we were there and if all partook of the good things as we did they ate enough to last a week.

Taking everything into consideration the ladies certainly made a grand success of their first dance and, no doubt, will always have a large crowd, a good time and a fine banquet whenever they decide to have a dance.

TAKE NAPA STREET CAR direct to our store, it will pay you. Come where the merchandise is right, and the prices and policies are better. G. H. HOTZ, Sonoma.

High School Report.

Quarterly examinations are now going on at the High School. Every intermission finds pupils cramming for dear life.

The Wednesday afternoon talk was given up last week on account of examinations.

A little bird has told us that there are signs of a High school play in sight. The play will be given to raise funds for the High School paper.

An enjoyable game of base ball was played this week on the High School diamond by the High School and Grammar school teams. We put up a good fight, but the Grammar School won by a score of 10 to 4.

The High School paper "The Golden Bear" is getting along nicely. Our best hustlers Donald Campbell, and Otto Dresel, are bringing in ads daily. We would like to say that any one applying to these two boys, can arrange for printing their business advertisements in the "Golden Bear."

GLEN ELLEN NEWS

Dr. C. C. O'Donnell is now building several cottages on his place adjoining the Ashe ranch.

B. M. Bones, who lately fractured several bones in his leg, is resting easy and gradually improving.

Mrs. Guage and Mr. Quein were elected delegates to the missionary conferance of the Congregational church to be held at Santa Rosa on the 23rd. inst.

W. Vandewater has opened a shoe and harness repair shop.

At a meeting of Glen Ellen Circle W. of W. held March 19 the outgoing Guardian Neighbor, Mrs. L. A. Payne, was presented with an elegant pin, emblematic of the order. The presentation speech speech was made by Mrs. H. C. Lafferty and responded to by the recipient in a very pleasing manner. A banquet followed the meeting, which was greatly enjoyed. The circle meetings are well attended with a gradual increase in membership.

It has been rumored that Dr. C. C. O'Donnell has sold his farm together with all improvements thereon. The consideration being $75,000.

During the lull of business (which by the way is quite often) our tradesmen and others occupy their time in throwing horse shoes.

Owing to animosity and bumps of destructiveness largely developed with some people Col. Parker has discarded the blue soldier coat, a relic of the Spansh-American war, presented to him by his son. On a recent trip to Sonoma he states the coat was torn in shreds by several individuals, who are now under survailence and whose arrest may take place at and time.

Calistoga Banker Arrested

Henry H. Brown, president of the wrecked Bank of Calistoga, who was indicted by the Grand Jury of Napa County several days ago for embezzlement, was taken into custody in Washington, D. C. March 13th. The former bank president was arrested on the indictment and will be held pending the arrival of officers from this State.

The charge on which President Brown was arrested grows out of the collapse of the Bank of Calistoga more than a year ago. The Bank of Calistoga was wrecked through the manipulations of certain of its officers. At the time of the discovery of the insolvency of the institution Brown left the State. Considerable litigation followed. but it was only recently that the inquisitorial body of Napa County went into the affairs of the bank with a view of punishing the officers for any criminal conduct.

Investigation of the bank's affairs is not at an end, and it is stated that other indictments will follow. The indictment of Brown has been placed in the hands of the Sheriff.

In order to make the Portola Festival a real California affair which will include every section of the entire State, those in charge have adopted a unique method to interest young women. A prize amounting in value to One Hundred Dollars has been offered for the photo of the most beautiful young woman in the entire State. This competition will serve a double purpose, it will not only familiarize the people of the entire world with the really beautiful California girl, but will give the young woman herself a trophy that will be a great honor. The Portola Festival will be held in San Francisco from the 19th to 23rd of October of this year and will attract thousands of people to this state from the East and the North Pacific Coast.

Incompetent Supervisors

The Bulletin prints a long story of specific grafting in connection with our County Courthouse at Santa Rosa claiming that a ring exists among the Supervisors, contractors and architect whereby the people are being systematically mulcted for an extravagant amount of "Extras" which will almost double the cost of the County building as originally proposed and authorized by the electors.

The people expected to spend $280,000 to complete the structure and already the bills have run up to $403,000 and the courthouse is neither completed nor furnished.

The matter is being sifted by the Grand Jury and there are hopes that the blame for the extravagance will be located.

J. W. Dolliver, of San Francisco, is the supervising architect for the Board of Supervisors. Rickon & Ehrhardt, of San Francisco, are the contractors, and the Board of Supervisors which let the original contract and most of the subsequent addition to the cost was composed of J. W. Austin, of Santa Rosa; George J. Armstrong, of Sebastopol; Blair Hart, of Lakeville; Ike Button, and Charles L. Patterson of Geyserville.

Daniel Fay visited the Bay City Sunday.

Skookums Celebrate

Last Saturday evening the Skookum Rod and Gun Club celebrated the close of the duck season with a banquet in Woodman Hall. The majority of the members were present and there was something doing all the time.

S. H. Haven made a decided hit when he introduced that touching little game of "Taps." H. Bates enjoyed the game immensely until he got his and then took possession of the stump in the center of the hall and cried enough. A number of the members were also tapped gently and reported the game the finest ever.

The banquet was all there and the way the boys went at it they certainly enjoyed it.

Another banquet is contemplated in the near future and members not present at the last will have a chance to show their colors.

All members are requested to meet at Shellville depot next Sunday morning at 10 o'clock for the purpose of damning Schell pond in order to kill the tulies.

The meeting broke up at 2 P. M. and then the poys hied themselves homeward.

Work on the new Santa Rosa Post office was commenced Tuesday. Casts were made of reinforced concrete for the arches and columns, sills and lintels. The placins which will be made as soon as word comes from Washington to go ahead.

The hall is appropriately decorated and the main features will be cigars and cards and a big supper. All gentlemen are invited to attend, and need not be afraid of being forced to ride a goat.

At the bottom of the Editorial page appears a large ad of the Houts Auto Company of Santa Rosa. This company has a large and complete line of autos in their salerooms at prices that are worth investigating. The Reo is a well known and a well liked machine and needs no recommend from us as it is one of the best makes on the market. A catalogue can be obtained for the writing and the company stands ready to demonstrate the many points of the 1909 machine. Visit their salesrooms. You will find courteous gentlemen ready to render you the best of service.

The Woman's Club of this city are now negotiating with Prof. H. A. Adrian, City Supt. of Public Schools, of Santa Barbara, for a lecture on Industrial Education to be given on April 9th. or 10th. in Union Hall. The professor is now on a tour through Lake county addressing people on this subject and his views are broad and intelligent, bringing out the fact that our school children should be taught more practical experience instead of an over dose of book learning and no experience. Details of arrangements will appear later.

The many friends of F. K. Zook, chief engineer of the Northwestern Pacific Railroad, will hear with regret that he was painfully injured Monday afternoon while superintedning some construction work at Sausalito. He was standing on a pile and slipped off sustaining several bruises and cuts, but no bones were broken. He was taken to his home in San Rafael and was made as comfortable as possible In is not believed he will be laid up very long.

We are now ready to meet your spring and summer requirements. Ribbons, staple and fancy; ladies,' men's and children's underwear; ladies,' gents' and children's hosiery. A trial will convince you that our prices are the lowest and quality the best. G. H. Hotz, Napa Street, Sonoma.

THE BADGE OF HONESTY

The above illustration represents the several native medicinal plants which enter into Dr. Pierce's Favorite Prescription.

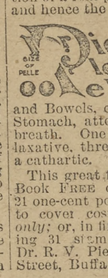
It Stands Alone The one and only medicine for the cure of women's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle wrapper leaving the great laboratory in Buffalo, N. Y., where it is made, as Dr. Pierce's Favorite Prescription.

It Stands Alone Not only in respect to its known composition, but also as the only specific advertised remedy for women's diseases which *absolutely contains no alcohol.*

It Stands Alone As the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do because his "Favorite Prescription" is made of such ingredients, and after a working formula that has thousands of cures to its credit—thus placing its merits above criticism.

It Stands Alone As nature's cure for the diseases peculiar to women, and is composed of Golden Seal root, Blue Cohosh root, Unicorn root, Black Cohosh root, Lady's Slipper root and chemically pure glycerine of proper strength, to extract and preserve the medicinal principles residing in the roots employed, for any length of time in any climate. It is scientifically prepared by experienced chemists and pharmacists at the laboratory of the World's Dispensary Medical Association, Buffalo, N. Y.

In the early sixties it was usually the duty of a practicing physician to ride many miles every day on his regular round of visits upon his patients. In those days a young man who had received a careful medical training in one of the best colleges of that day was accustomed to ride ten, twenty and often thirty miles or more, visiting the sick and afflicted. His success was soon phenomenal. Doctors and families called him for consultation to towns at considerable distances by rail. He became especially noted in the cure of obstinate and distressing diseases of women. He had early discovered that by combining the extracts of certain native medicinal plants *in just the right proportion*, without the use of alcohol, his "Prescription" almost invariably *cured* such cases. Later, in order to place this remedy before the public in a shape easily to be procured, he established a laboratory at Buffalo, N. Y., where regularly qualified chemists and pharmacists were put in charge to accurately prepare his "Prescription" and put it in shape for shipment. This remedy, which he named Dr. Pierce's Favorite Prescription, is not a "patent medicine," but is a real prescription of a real physician in a real practice, and hence the name.



These tiny, sugar-coated anti-bilious granules regulate Stomach, Liver and Bowels, cure Constipation and Bad Breath. One or two for a laxative, three or four for a cathartic.

This great family Doctor Book FREE on receipt of 21 one-cent postage stamps to cover cost of mailing *only;* or, in fine cloth binding 31 stamps. Address Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

Schultz, known as the "gaspipe thug," under of sentence thirty years for having struck down Sig Hurtig, a Mission street jeweler, in his place of business with a piece of gaspipe, was caught in the act of trying to escape from the county jail last Friday by tunneling through the wall, with an iron rod twisted from his bed, Schiltz had removed several bricks from the wall at the back of his cell, when he was seen by one of the guards. He was placed in a dark cell. Schultz was to have been taken to San Quentin Thursday, but was granted a stay of execution of ten days by Judge Cabaniss.

A six thousand-pound boiler, 14 feet in length and 42 inches in diameter is being installed in the basement of the new Sonoma county court house by P. George Sullivan. The boiler has a forty horse power capacity, and radiation sufficient for double that required in the building under ordinary circumstances. This will give steam for any other purpose which the Supervisors may desire to use it in connection with the county buildings.

Just a little CASCASWEET is all that is necessary to give your baby when it is cross and peevish. CASCASWEET contains no opiates nor harmful drugs and is highly recommended by mothers everywhere. Conforms to the National Pure Food and Drug Law. Sold by all druggists.

Duck hunters hereafter will be compelled to approach the fascinating winged game in submarines or air ships or to swim. By the passage of Butler's No. 706 and McClellan's bill No. 1035 in the Assembly last week, the hunting of ducks in motor boats or sneak, decoy or sculling boats is prohibited.

This is the most dangerous time of the year to take cold, and it is the hardest time to cure it. If you should take a cold, a few doses of Kennedy's Laxative Cough Syrup will act very promptly. Its laxative principle cures the cold by driving it from the system by a gentle but natural action of the bowels. Children especially like Kennedy's Laxative Cough Syrup, as it tastes so good, nearly like maple sugar. It is sold by all druggists.

A Japanese census is assured by the passing by the Senate of the Stanton-Leavitt bill, appropriating $10,000 for the collection of statistics regarding the numbers and condition of the Japanese population of California. The bill is a pet measure of the Governor.

The best known pills and the best pills made are DeWitt's Little Early Risers. They are small easy to take, gentle and certain, and are sold by all druggists.

The presbytery of Benicia will hold its spring session in Napa Mar. 26. The Presbyterian churches of Napa, Sonoma, Mendocino, Lake, Marin, Solano and Humboldt counties will be represented at the conference.

Most women who have bad complexions have dyspepsia, or at least indigestion, which eventually will become dyspepsia. To have fine, fair skin and healthy, rosy cheeks you have to have first a good, healthy, perfect digestion in order that you may have rich, red blood. Keep you stomach well by taking Kodol for Dyspepsia and Indigestion occasionally—just when you need it. It is pleasant to take. Sold by all druggists.

The "littlest" school in the state in two ways, is five miles west of Biggs. There are only three pupils in the school, they are all children of a farmer, David Little by name. The teacher, Alva Morgan boards at the Little home. Every morning he hitches up a team and takes his whole school to the schoolhouse.

Sour stomach makes sour people. It makes your disposition sour—you become disliked because of your sour nature. Every bit of it can be stopped just as soon as you take something to digest the food you eat. Sour stomach is caused by too much acid arising from undigested food. Kodol for Dyspepsia and Indigestion will digest any kind of food in any combination at any and all times. Keep your stomach well by taking Kodol now and then. Sold by all druggists.

That fully 1000 people and whole cities have been buried beneath a landslide in Java is the report brought by the steamer Empress of China. The landslide was part of Mt. Kentjura. The disturbances of the mountain is still taking place.

A Pleasant Physic.

When you want a pleasant physic give Chamberlain's Stomach and Liver Tablets a trial. They are mild and gentle in their action and always produce a pleasant cathartic effect. Call at L. S. Simmons's drug store for a free sample.

The South African federationists agree on everything up to the location of the national capital and split on that. If the feud holds out as long as some of our schoolhouse and country seat disputes, England will have no cause to mourne the "get together" tactics of her bumptius colonists.

Professor H. A. Howell, of Havana, Recommends Chamberlains Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now." writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by Simmons.

The soil has dried up sufficiently in many sections of the State to permit more plowing, and farmers generally are busy. A few days more of good weather, followed by some seasonable rain, will go far toward making the bumper crop rise to the dignity of an agricultural bonanza.

For Diseases of the Skin

Nearly all diseases of the skin such as eczema, tetter, salt rheum and barbers' itch, are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost instantly. Many cases have been cured by its use. For sale by L. S. Simmons.

Money is the cheapest thing on earth and character the dearest. The vilest person has something exchangeable for lucre, but all the money ever coined won't put a shred of character where none was before.

Rheumatism Receipe

A well-known authority on Rheumatism gives the following valuable though simple and harmless, prescription, which any one can easily prepare at home.

Fluid Extract Dandalion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many, so-called rheumatism remedies, patent medicines, etc. some of which do give relief, few really give permanent result, and the above will, no doubt, be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our reader if asked to.

Wise Talks by the Office Boy.

I was reading that a farmer asked a negro farm hand the cause of his worried and haressed look. "De trouble, boss," said the negro, "is mah wife. She sho is de stravagantest person I ever seed. She is alway arter money. She come to mah fo' one dollar, den she wants two dollars, en so it goes." "But Joe," inquired the boss, "what does she do with all this money?" "Well, de fac' be," explained Joe, I aint give her none yet." Now that seems to me to explain the late financial situation. We were undoubtedly extravagant and going the pace, then somebody said "Scat" and everybody got scart and the banks tightened upand wouldn't give us any money for awhile. Thank heavens, that is all over now, and what WE want to do is to pass you out the new duds, in suits, hats and shoes. It don't take much money to look good this year. Suits were never so handsome or so perfect in fit. We are showing the biggest, the most perfect fitting line ever seen in this part of the globe. Come in just to look it won't cost a you cent.
